

Daylight – David Kushner

[Intro]

F Dm Am F Dm C

[Verse 1]

F Dm C

Telling myself I won't go there

F Dm C

Oh, but I know that I won't care

F Dm C

Tryna wash away all the blood I've spilt

F Dm C

This lust is a burden that we both share

Two sinners can't atone from a lone prayer

F Dm C

Souls tied, intertwined by our pride and guilt

[Pre-Chorus]

Am C/G Fmaj7/C

There's darkness in the distance

Dm Am

From the way that I've been living

C/G Fmaj7/C Dm

But I know I can't resist i-it

[Chorus]

F Dm

Oh, I love it and I hate it at the same time

Am

You and I drink the poison from the same vine

F Dm

Oh, I love it and I hate it at the same time

Am

Hiding all of our sins from the daylight

F Dm

From the daylight, running from the daylight

Am

From the daylight, running from the daylight

F Dm Am

Oh, I love it and I hate it at the same time

[Verse 2]

F Dm C

Telling myself it's the last time

F

Can you spare any mercy that you might find

Dm C

If I'm down on my knees again?

F Dm C

Deep down, way down, Lord, I try

F

Try to follow your light, but it's nighttime

Dm C

Please don't leave me in the end

[Pre-Chorus]

Am C/G Fmaj7/C

There's darkness in the distance

Dm Am

I'm begging for forgiveness

C/G Fmaj7/C Dm

But I know I might resist i-it, oh

[Chorus]

F Dm

Oh, I love it and I hate it at the same time

Am

You and I drink the poison from the same vine

F Dm
Oh, I love it and I hate it at the same time

Am
Hiding all of our sins from the daylight

F Dm
From the daylight, running from the daylight,

Am
From the daylight, running from the daylight

F Dm Am
Oh, I love it and I hate it at the same time

F Dm
Oh, I love it and I hate it at the same time

Am
You and I drink the poison from the same vine

F Dm
Oh, I love it and I hate it at the same time

Am
Hiding all of our sins from the daylight

F Dm
From the daylight, running from the daylight,

Am
From the daylight, running from the daylight

F Dm Am
Oh, I love it and I hate it at the same time

[Outro]
