

Believer - herenpartij

First things first

I'ma say all the words inside my head

I'm fired up and tired of the way that things have been, **(of the way that things have been)** oh ooh

The way that things have been, oh **ooh**

Second thing second

Don't you tell me what you think that I can be

I'm the one at the sail, **I'm the master of my sea**, oh **ooh**

The master of my sea, oh **ooh**

I was broken from a young age

Taking my sulking to the masses

Write my poems for the few

That looked at me, took, shook, feel

Singing from heartache from the pain

Taking my message from the veins

Speaking my lesson from the brain

Seeing the beauty through the

Pain, You made me a, **you made me a believer**, believer **(oh)**

Pain, You break me down, **you build me up, believer**, believer

Oh pain, Oh let the bullets fly, oh let them rain

My life, my love, my drive, it came from

Pain, You made me a, you made me a believer, believer

Third things third

By the grace of the fire and the flames

You're the face of the future, the blood in my veins, oh **ooh**

The blood in my veins, oh **ooh**

I was broken from a young age

Taking my sulking to the masses

Write my poems for the few

That looked at me, **took, shook, feel**

But they never did, ever lived, ebbing and flowing

Inhibited, limited

'Til it broke up **and it rained down**

It rained down, like

Pain, You made me a, **you made me a believer**, believer **(oh)**

Pain, You break me down, **you build me up, believer**, believer

Oh pain, Oh let the bullets fly, oh let them rain

My life, my love, my drive, it came from

Pain, You made me a, you made me a believer, believer

Last things last

I'ma say all the words inside my head

I'm fired up and tired of the way that things have been, **(of the way that things have been)** oh ooh

The way that things have been, oh **ooh**

But they never did, ever lived, ebbing and flowing

Inhibited, limited

'Til it broke up **and it rained down**

It rained down, like

Pain, You made me a, you made me a believer, believer

(First things first

I'ma say all the words inside my head)

Pain, You break me down, you built me up, believer, believer

(You're the face of the future, the blood in my veins)

Oh pain, **Oh let the bullets fly, oh let them rain**

My life, my love, my drive, it came from

Pain, You made me a, you made me a believer, believer
